

PLASSERING - ALUMINIUM STOLPER MED FOT GLASSMONTERING UTSIDE

Technical drawing of a door handle assembly. The drawing shows two views of the handle: a side view (top) and a front view (bottom). The side view shows the handle's profile with a width of 120 mm and a height of 120 mm. The front view shows the handle's mounting plate with a width of 120 mm and a height of 120 mm. The mounting plate is secured with four screws. The distance between the mounting plate and the door edge is 15 mm. The distance between the two mounting plates is 197 mm. The distance from the door edge to the center of the mounting plate is 50 mm. The drawing includes dimension lines and labels in Vietnamese: "Mặt til kant" (Edge face) and "Mặt til kant" (Edge face).

INNERHJØRNE

Diagram illustrating the installation of an inner corner bracket (INNERHJØRNE) on a wall. The bracket is shown in two views: a side view and a top view. The side view shows the bracket mounted on a wall, with dimensions indicating a 15 mm offset from the wall and a 110 mm distance between the mounting points. The top view shows the bracket's footprint, with dimensions indicating a 15 mm offset from the wall and a 110 mm distance between the mounting points. The text "Mål til kant" (Measure to edge) is used to indicate the offset dimensions.
