

DETAILED MEASUREMENTS

A - The c / c dimensions of the posts depending on the side length and number of sections

B - The width of the glass depending on the side length and number of sections

C - The height of the railing from the floor surface

D - Height of the glass

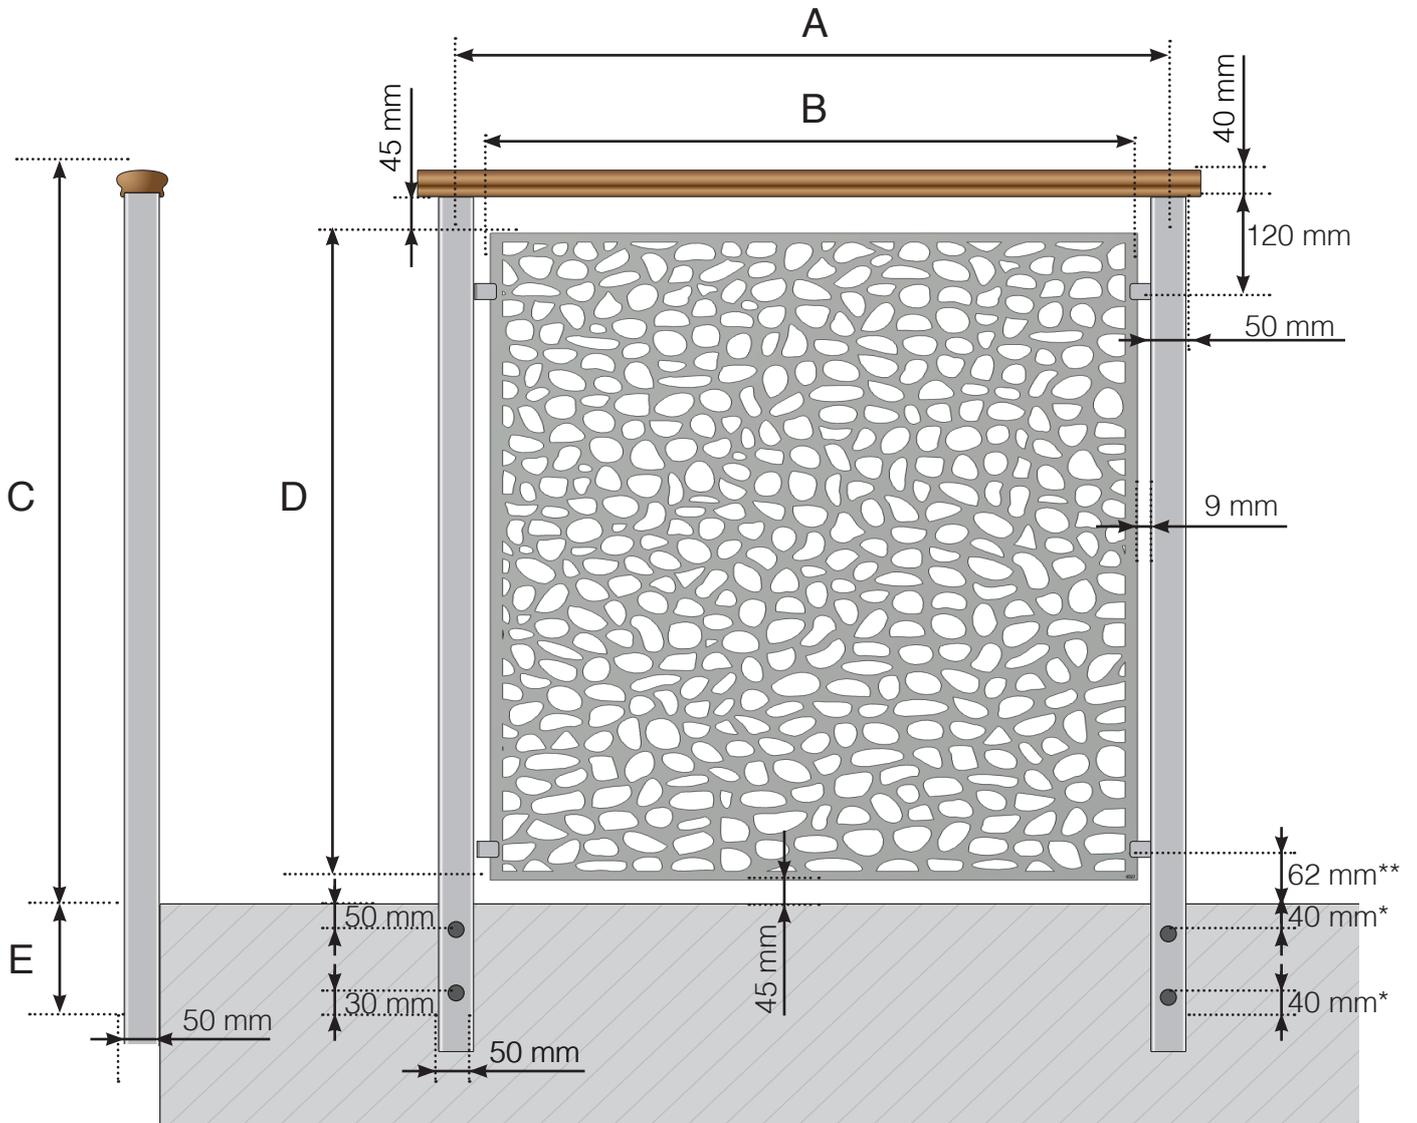

E - 145, 195, 250 or 350 mm

* 40 mm only applies to posts for finishing right (seen from the outside) on each railing side so that the screws at a possible corner do not collide with each other

** Clamp bracket with fall protection for glass is optional
